## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order amends the Hallmarking (International Convention) Order 2002 (“the 2002 Order”).

Article 3 amends article 3 of the 2002 Order to provide for the correct standards of fineness to be applied to palladium items and updates the lists in respect of other precious metals. Article 4 makes amendments to article 6 of the 2002 Order which are consequential on the amendments made by article 3 of this Order. Article 5 adds in the shield to be used for palladium articles and article 6 adds an illustration of the Common Control Mark for a palladium article. The remainder of the order amends Schedule 2 to bring up to date the list of foreign assay office marks.

This Order was notified in draft to the European Commission in accordance with Directive 98/34/EC of the Parliament and of the Council of 22 June 1998 laying down a procedure for the provision of information in the field of technical standards and regulations (OJ No L204, 21.7.98, p 37) as amended by Directive 98/48/EC (OJ No L217, 5.8.98, p 18).

A full impact assessment of the effect that this Order will have on the costs of business is available from the National Measurement Office and is available alongside the instrument at [www.legislation.gov.uk](http://www.legislation.gov.uk). Copies have been placed in the libraries of both Houses of Parliament.
